Debut Single - McKinney James

Excited to announce that producer/engineer/session musician Eric McKinney and author/singer-songwriter/actress Brooklyn James have teamed up to start releasing some singles under the name **McKinney James**.

First up, the single "**I Don't Care**" by **McKinney James** is a fun summer/island vibe track and is already being added at radio, Summer Spotify playlists and new music playlists.

Brooklyn James is a talented author, singer-songwriter and moonlights occasionally in voice-over and film. Impressed by her drive, talent, charisma and songwriting abilities, producer Eric McKinney has continually worked with Brooklyn on many projects over the years at his studio (Wonderland Studios ATX). Additionally, they've had a standing Sunday Songwriting Sessions (weekly songwriting day together) for several years now.

Eric McKinney is an in-demand engineer, producer, creative songwriter/composer, multi-instrumentalist, & artist consultant with a long list of credits including working with many top Texas artists and session players. He has been credited as a producer, engineer, mastering engineer or studio musician on well over 1000+ studio projects. He has worked with projects from all over the world and has produced many songs charting #1 or as top 10s on various Texas Music Charts, Regional Charts and Charts Featured in Billboard.
