New Radio Single

Trent Lyle
Tell It To The Judge

NEW RADIO SINGLE

Tell It To The Judge is a song that captures the raw frustration and heartache of a messy breakup where one person is completely over it while the other is still grasping at straws.

The song delivers a gritty atmosphere that resonates with fans of roots rock, blues, country and narrative-driven storytelling.

With 35 years as a gigging musician, **Trent Lyle** brings an authentic sound to every one of his songs and performances. He performs real Texas music with his mix of soulful originals and classic covers from his musical heroes. A singer-songwriter and a drummer who has played with over 25 musical acts, he knows how to read the room and creates the perfect atmosphere.

Drawing inspiration from artists like Steve Earle, Waylon Jennings and Billy Joe Shaver, Trent's music blends country, rich Americana roots with a touch of Southern rock. Trent blends rhythmic acoustic grooves with poignant storytelling which can be perfect for late night drives and fans of authentic, narrative-driven songs. Many of his songs instantly sound like anthems.
